'The school offers a calm, purposeful and safe environment in which pupils can flourish'
Ofsted

Foreword

We believe that access to a good education should be the right of all children. That's why our school, situated on Market Street, Hoylake serves Wirral's community as a whole and is open to applications from across the borough.

We were delighted and proud of the progress we made as a school at our last Ofsted inspection in 2016 – achieving good overall with outstanding features but we have not rested on our laurels.

We have continued to strive for excellence to make sure every child at Hoylake Holy Trinity feels safe, happy and is ready to flourish. The development of the whole child is very much at the centre of our vision and belief.

Our hard work has helped us rise 50 places in the Real Schools Guide 2019 to the 16th best school in Wirral over the past 12 months alone and we're committed to improving further.

We have an excellent team of teachers who understand that happy children are successful children. Ofsted recognised the amazing work we have done in this area, rating us outstanding for personal development, behaviour and welfare and said, 'the quality of teaching is now consistently strong. As a result, pupils make good progress and achieve well.'

I hope our prospectus gives you an insight into our wonderful school and I encourage you to arrange an appointment to visit our school to find out more.

'Pupils' behaviour is exemplary. They show maturity in managing their own behaviour and apply themselves in lessons extremely well.'

Learning for life

We aim to make sure every child feels safe, happy and is enabled to achieve success. Our children are the most important thing to us and that's why we care about helping them develop socially, spiritually, morally, culturally as well as educationally.

Our goals

- Give all children the opportunity to achieve their full potential and make maximum progress.
- Provide equality between learners and appreciate individuality.
- Make sure all teachers are happy, passionate, effective and feel valued.
- Be a hub within the local community to give children access to unique learning experiences and opportunities.
- Ensure everything we do is underpinned by our strong Christian values.

Giving them the tools to learn

Our school is at the heart of the community and has served the town of Hoylake for more than 100 years.

We have a spacious school building that's all on one level – providing excellent access to all pupils, parents, staff and visitors.

We have recently built five extra classrooms including a purpose-built Foundation Unit and an exciting outdoor learning environment for children in nursery and F2.

We also have a large multi-purpose hall, a well-equipped library and a well-equipped computer suite to future-proof our children's skills.

It's important that children eat a varied, healthy diet so they're ready to learn. That's why all school meals are freshly cooked by our talented kitchen staff on site every day using fresh ingredients.

We also offer a varied range of learning environments to keep children engaged – from an adventure playground to our very own woodland exploration area.

Plan to succeed

All children learn in different ways and at different rates. At Hoylake Holy Trinity our curriculum is constantly evolving to meet the needs of our children and to help them develop the skills to become successful learners and prepare them for life in modern Britain.

Our curriculum is designed to work in collaboration with families and the local community to provide opportunities for all pupils to learn and to achieve.

We aim to stimulate, encourage, yet challenge children to develop their individual potential and personality to the full.

The school's curriculum covers a wide range of subjects and provides opportunities for academic, technical, creative and sporting excellence. It has a positive impact on all pupils' behaviour and safety, and is a big influence on pupils' academic achievement, as well as their physical and emotional wellbeing.

Working together

Everyone at Hoylake Holy Trinity C of E Primary will work hard to make school a happy place for you and your child.

We strive to make sure our relationships with parents are as strong as possible and continue to grow throughout your child's time at our school. We will communicate regularly with you as it's important we work together to ensure children are happy, healthy and experience excellence and enjoyment at our school.

Each child is a person in the school, not just a number. The children are cared for as well as taught. They enjoy it

Parents can rest assured that their children's education is in good hands

What our parents say about us...

Embrace the lovely, caring, family environment in which your child will grow in so many ways over the years. Simply Lovely!

It has a feeling of nurturing. My child's confidence has blossomed

Holy Trinity is a fantastic school.

'The headteacher, leaders and governors have brought about many improvements to the school since the last inspection'. Ofsted
