

End of Spring Term Newsletter

March 2026

Dear Parents and Carers,

Can you believe we are already at the end of the Spring Term? It has been a great term, with lots going on. We are now past the midpoint in the academic year and are looking forward to an exciting Summer term. 

The Summer Term is always a busy term. We have shared a Summer term 'dates for your diary' letter with you so you can have as much notice as possible for upcoming dates. During the Summer term, our children in Year 6 will be completing their SATs tests, our Year 1 children will complete their phonics screen and Year 4 the multiplication check! There will also be plenty of end of year events and activities.

The HHT Team would also like to extend their thanks to our school community for your ongoing support and wish you all a wonderful Spring break. We will see you all on **Monday 13th April**.
