WHEELED PLAY - SCOOTERS

How can we
make sure we
keep safe?

TYRES

We have loved having the tyres on our playground and there has been some lovely examples of play. How can we keep ourselves and others safe?

How many tyres can we stack on top of each other?
Are there any hazards or risks?

ROUGH PLAY

We know some of you enjoy rough/wrestling style of play. Whilst it's great fun..let's think about how we can manage it so that everyone stays safe! What do we need to think about?

1. Your responsibility
2. Enter into it and walk away when you've had enough.
3. Don't be too rough. Remember in wrestling – they don't actually really hurt each other!!
4. Respect – stop means stop.
