

Autumn

Big Question: Are we all the same?

This half term we are going to learn about our classroom and talk about ourselves and our family. Outside we will observe the beginning of Autumn as the leaves change colour and the days become cooler and darker. What natural treasures will we find?

Animals

We will have a visit from the hedgehog hospital and go for walks in our wellies to the local park.

Vocabulary

Family People who we are related to and live with.

Birthday The day we are born is celebrated.

Autumn A season that becomes cooler and darker.

Doctor Looks after us when we are hurt or poorly

Dentist - Someone who looks after our teeth

Healthy - foods that keep us well, water keeps us well, sleep keeps us well

Friends - someone who you can play with and be happy with

KEY CONCEPT

Change
Understanding
why and how
things have
changed over
time.

Harvest

In the autumn, farmers harvest vegetables. Farmers harvest crops using machinery or by hand.

Harvest Festival

In Britain, harvest is celebrated to give thanks for the crops that the farmers have worked hard to grow. Harvest festivals are often celebrated in churches by bringing baskets of food to give thanks to God and to give to those who are less fortunate. People enjoy singing, praying, listening to stories and decorating the church.

Vocabulary

Darker

When there is less light.

Bare

When the leaves fall off the trees, there are no leaves left on them. The tree is bare.

Hibernate

When an animal or plant sleeps through the winter.

Harvest Festival

Harvest Festival is celebrated to give thanks for the crops that the farmers have worked hard to grow.
