

School Diversity Week

Circle Time Discussion Prompts

Use these cards to spark discussions in your circle time with your pupils during School Diversity Week

What makes you different?

We are not all the same!

What is different about you?

Pass on/throw an object and whoever has it has to say how they are different to the person before them.

Celebrating difference

Pass on/throw an object and answer using the following sentence stems:

1. I am special because...
2. The person next to me is special because...

Dream school

If you were creating your dream school, how would you make sure everyone is included?

How would you make sure people know that being different is something to celebrate?

Respect for all

What does it look like when we show respect for others?

How does it feel when people respect us?

Families

What is special about your family?

Is your family exactly the same as the person next to you?
